

## Newsletter: November 2001

Dear Artisans,

Congratulations, we now have over 50 registered artisans; 52 in fact on the 5<sup>th</sup> November. We are getting membership enquiries on a regular basis and it would be great to hit 60 by the end of the year. Can you think of anyone who may be interested? As an incentive each new member that you introduce will entitle you to £5 off your renewal fee. This is now a substantial and regularly visited site which can be recommended with confidence. As the Internet slowly becomes part of our lives there is no reason to doubt that we will go from strength to strength.

### HITS

Lewes Artisans is now generating 150-200 hits (user-sessions) per week. A few of these hits are coming from Europe and America which means that we are being found by search engines picking up the text contained within the site. The important key words on the home page "header" are also constantly updated every time a member joins with a new skill.

### PUBLICITY

We continue to advertise in the Sussex Express and Lewes News, and will shortly be appearing in the Barcombe News. An article by local journalist Jana Edmonds regarding our site appeared in the free publication 'Latest' magazine in July.

We have leaflets and window stickers available so please let us know if you want more, or have any thoughts on future publicity methods.

It is important that our address: [www.lewesartisans.com](http://www.lewesartisans.com) be publicised as widely as possible, so please use it in your own advertising and also on your stationary as appropriate. It seems a wasted opportunity to see an Artisan's advert appear in local publications with no mention of our website address.

### MUGS

Now available at only £3 each are attractive white earthenware mugs with 2 distinct Lewes Artisans coloured logos and the website address. Why not buy one or more for your own use and consider giving them to your customers.

### PAGE UPDATES

We want this to be an active site so if you have any new images or information, please let Simon know and this will be included at no extra charge. (within reason! Ed.)

### SOCIAL ?

The suggestion has been made that we have an Artisans get together. Perhaps something very informal in a Lewes pub? If enough of you are interested we would be pleased to arrange, so please let us know.

Attached is the current index of members and information regarding the new mug.

**Seasons greetings to you all and a prosperous New Year.  
from John and Simon**
